Outside space

Compton Verney has the flexibility to host major events outside in the beautiful 'Capability' Brown landscaped parkland.

The West Lawn has an area in excess of 2,000m², which is an ideal location for sophisticated temporary structures - perfect for product launches, large-scale corporate hospitality, open air theatre or concerts, antique fairs or filming.

Never before had we tried to accommodate all launch elements (Press, Fleet, Sales and Technical) in one venue, but the location and facilities at Compton Verney were too good to miss.

Overall, we succeeded in our plans...managed to achieve all our objectives and please our audiences. Not bad in anybody's language! Thank you.

Elena Bernardelli, Marketing Director, Fiat
