## Adopt a tree

## How to adopt a tree

Adopt a tree from our stunning 'Capability' Brown grounds and help safeguard our environment for future generations.

There are a variety of ages, locations and species to choose from, including Cedar of Lebanon, English Oak, London Plane and Wellingtonia, and prices start from £150.

A list of currently available trees is available by emailing development@comptonverney.org.uk or calling 01926 645 547.

When you have chosen your tree, please complete the enclosed application form and the Gift Aid declaration (if appropriate), tear off the page and send it to us with a donation for the relevant amount. Each tree can only be adopted once.

To thank you for your donation, we will put a label on your tree, with 'Adopted for...' and the name(s) you supply on the application form. Your tree adoption will be recorded for posterity in a commemorative book which can be viewed on request at Compton Verney. We will also send you a certificate and a map showing the location of your adopted tree.

Please download the full adoption Terms and Conditions from our website www.comptonverney.org.uk or call the Development Team on 01926 645 547.
